On Oct. 16, Houchin Community Blood Bank will be showing KRV blood donors just how much their regular donations are appreciated.

The Lodge at Painted Rock, located in Keyesville, will provide a beautiful backdrop for Houchin to host its first Donor Appreciation event in the KRV.

The evening event will begin at 5:30 p.m. and hor d'oeuvres will be served to attendees.

Christina Scrivner, Houchin Community Development Account Manager said, "We are putting on this event to thank our donors in the KRV and let them know how meaningful their support to our blood supply is for the whole county."

The program will feature a presentation by Houchin CEO Greg Gallion.

Scrivner added that Houchin wanted to treat its donors to a special evening, as well as helping them to better understand the role they play in the overall mission to maintain a safe and adequate blood supply to hospitals.

For more information, contact Scrivner at 760-677-9100.

Not only do the donors in these areas have a powerful sense of community and giving back, which is evident by the turn out at our blood drive, but our staff frequently comments on the kind and friendly experience found on these community drives.
